

UC RIVERSIDE - Student Comments of Instructor,
Discussion Courses - Fall 2021

Course: MATH 046 Section: 002 - ORDINARY DIFF
EQUATIONS

Instructor: Khoi Vo

Question # 18: YOUR CONSTRUCTIVE COMMENTS ON YOUR GRADUATE STUDENT INSTRUCTOR'S TEACHING SKILLS ARE EXTREMELY IMPORTANT. PLEASE WRITE YOUR COMMENTS IN THE TEXTBOX BELOW. PLEASE LIMIT YOUR COMMENTS TO 2000 CHARACTERS.

- The graduate student's teaching helped further my understand of the material that is taught in class. He was always prepared for class with a joyful attitude. His enthusiasm for teaching made the class even more enjoyable. The graduate student is clear in his expectations and discussions. He provides multiple opportunities to ask for help and creates a fun engaging environment.
- I learned more during discussion than during lectures.
- This TA helped a lot with our homework and would go over problems we were stuck on and was always there if we needed to email him about anything.
